TO: V.J. St. Pierre, Jr., Parish President

FROM: Angela M. Robert, Director of Animal Control

SUBJECT: 2010 Annual Report

I am pleased to report that in the year 2010 Animal Control took in fewer animals than the previous year. In 2010 Animal Control took in 1212 animals, 206 animals less than the previous. I believe that this can be contributed to the low cost spay/neuter program that the St. Charles Humane Society offers our parish residents. Animal Control works diligently with the Humane Society to promote and accomplish this mission.

Animal Control along with the St. Charles Humane Society and parish resident volunteers put on its second annual Bark at the Bridge Park. The event was a huge success with approximately 400 to 500 hundred participants. The Bark at the Bridge Park gave parish residents the opportunity to spend a day in the park with their pet, and enjoy an animal themed afternoon. The event raised over \$7,000; this is up by \$5,000 from the previous. I anticipate this event only getting bigger in the coming years.

In 2010 Campo Design completed plan to construct a new animal shelter. The Parish Council has approved a \$1,340,000 from the 2011 capital outlay budget for this project. This includes a \$300,000 state appropriation, which our Grant Department has secured. I look forward to the construction of the new animal shelter in 2011.

Our Animal Control Department continues to provide and protect its residents with trained and knowledgeable employees. Animal Control, along with the St. Charles Sheriffs Department, and the D.A.s office has pursued and prosecuted thirty one cruelty cases in 2010.

Our department will continue to work hand and hand with other entities that are committed to the welfare of animals. We hope to set an example for all other parishes to follow.
